WORK EXPERIENCE

Virtual Sales Account Manager, Cisco Systems, *Aug 2022 – Present*

Cairo, Egypt

- Achieved quarterly, semi-annual, and annual growth within my territory through long-term impact by selling full Cisco portfolio.
- Attained 136% of annual plan for FY23, 132% for FY24, and YTD for FY25 is 92% of annual plan by delivering tailored solutions for scalable project implementations.
- Led and was accountable for Cisco's business with 120 clients within the commercial mid sector in Egypt by partnering with CIO/CTO/CXOs to roll out automation and digitization roadmaps in various industries; Finance, O&G, Retail, Real Estate, Hospitality, Education and Manufacturing.
- Built a healthy partner ecosystem within my account list through proper account planning and building trust.
- Drove growth across all Cisco architectures within the business territory by partnering with solution engineers and specialists.
- Built weekly, monthly, quarterly, and annual business forecasts.

Associate Sales Representative CSAP, Cisco Systems, *Aug 2021 - Jul 2022*

Cairo, Egypt

- Joined the highly acclaimed and award-winning Cisco Sales Associate Program (CSAP) for recent graduates, whereby program associates receive both sales and technical bootcamp trainings before spending the rest of the program managing customer accounts.
- Developed skills and competencies to build strong customer and partner relationships to provide business value through Cisco technologies.
- Passed a set of required exams that cover both sales and technical education.
- Passed a set of assessed role plays that are performed with Cisco managers which simulate real-life customer and partner scenarios.
- Generate funnel revenue from managed accounts I was assigned.
- Prepared and delivered quarterly business reviews.
- Onboarded customers and partners with relevant Cisco technology.

Fixed Income & Money Markets Intern, Bank Audi, *Jul 2017 – Aug 2017*

Cairo, Egypt

- Assisted in executing investment strategies across portfolios in primary and secondary markets.
- Monitored positions, performance, risk exposures, and deviations from investment guidelines and rebalanced periodically taking into liquidity needs.
- Prepared internal commentaries on market developments and investment presentations to senior management.
- Ensured proper compliance with internal processes and relevant regulatory bodies.
- Assisted supervisors in the process of selling bonds in the market.
- Conducted research on equity market and drafted proposals for senior management to support investment strategy.
- Reviewed bank portfolios and compared asset prices to ensure that the product performance is on track with the investment strategy.

- Fulfilled clients' job vacancy requirements by sourcing potential candidates.
 - Expanded client based by pitching to and onboarding 3 new clients.
 - Reviewed candidate resumes to ensure that they possess the necessary skill-set for the job role.
 - Conducted extensive interviews and ensured that candidates are in alignment with the organization culture.
 - Expanded internal database of talent pool by conducting in-depth research and onboarding suitable candidates.
